### **VIA ECOURTS FILING**

Hon. Louis S. Sceusi, J.S.C.

Superior Court of New Jersey, Morris County

Court & Washington Streets

P.O. Box 910

**RE: Lauren Kanarek v. Michael Barisone, et al.,  
Docket No. MRS-L-2250-19  
Motions Scheduled for Oral Argument on November 4, 2022**

Dear Judge Sceusi:

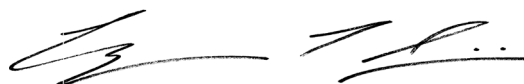

On behalf of Michael Barisone, I am objecting to the request to adjourn oral argument of the pending motions, for three reasons.

First, Mr. O'Connor and his law firm do not represent either Jonathan or Kirby Kanarek; so, the request should be ignored because Mr. O'Connor has no authority to make such a request unless or until he files a *Notice of Appearance* on behalf of Jonathan and/or Kirby.

Second, neither Jonathan nor Kirby filed any papers in opposition to the motions involving them; so they have no standing to make any arguments and no need to attend.

Third, if Jonathan or Kirby really want to witness the proceeding, they can watch on Zoom, to the extent that the proceedings are open to the public.

Respectfully,  
**DEININGER & ASSOCIATES, LLP**
