Judge Padin:

We represent Defendant Great American Insurance Company of New York and submit this letter with the consent and approval of all parties in response to an email received from Your Honor's Chambers on November 14, 2023.

The parties have resolved the matter and Plaintiff's counsel has assured Great American and Farm Family that it will file a stipulation of dismissal no later than November 17, 2023.

In light of the foregoing, all parties request that the Court adjourn the November 16 conference.

Respectfully submitted,
